Mail Stop: Amendment

Dear Sir:

The computer readable form of the Sequence Listing for the instant application USSN 10/877,035 is identical to the computer readable form of the Sequence Listing previously filed in grandparent application US Application Serial No. 09/248,716, filed on February 10, 1999. In accordance with 37 CFR § 1.821(c) and (e), in lieu of filing a duplicate computer readable form in the instant application, Applicants request that the last-filed computer readable form submitted in grandparent application USSN 09/248,716 be used for the instant application. It is understood that the US Patent and Trademark Office will make the necessary changes in application number and filing date for the computer readable form that will be used for the instant application.

Applicants submit concurrently herewith a paper copy of the Sequence Listing that is identical to the paper copy of the Sequence Listing filed in grandparent application USSN.
